

Conference Related Ministry Connection Guide @ ACC 2026 Assembly

ACC 2026 Annual Assembly

**EXILE:
DWELLING IN
DISSONANCE**

Conference Related Ministry representatives are invited to ACC's 2026 Assembly at North Baltimore Mennonite Church, March 20-21. Assembly is a time to gather, reconnect, worship, and learn together. We'll celebrate our shared ministry and faith. Assembly sessions, including delegate times, are an opportunity to talk together about what the church is and about its future and we'd love for our related ministries to be part of this conversation and fellowship.

Join us

We invite your representatives to join us for the Friday evening virtual session and the Saturday morning program at North Baltimore Mennonite Church. The Saturday program will begin at 9:00 am and will be completed by 3:30 pm.

We also welcome your participation and presence at the gathering in other ways.

Host a display table, share a slide to run during lunch and breaks, or sponsor a piece of the gathering for additional advertising options.

To sign up for any of these opportunities, complete the registration form on the Assembly webpage and register as a *representative of a church-wide agency* to access additional questions.

Please feel free to contact Brook Musselman to with questions:
